IEEE Day Shirt Graphics

IEEE Day is celebrated with a fun, colorful logo that looks great on a white or light colored shirt. Shown here are options to print it large on the front or back of a white or gray shirt. You can also choose to print it on a front pocket if your vendor offers this option. Supply the IEEE DAY SHIRT FULL COLOR LOGO FILE (ieee-day-logo-color-cmyk.eps) to your vendor along with your instructions as to shirt style, shirt color, quantity, and sizes.

White shirt with pocket logo

Light gray shirt with full front logo

1-COLOR LOGO SHIRT OPTION:
If your budget or vendor cannot support printing the logo in full color you may decide to print it in 1 color instead. Choose a light colored shirt and 1 of the ink colors shown below.

Supply the IEEE DAY SHIRT 1COLOR LOGO FILE (ieee-day-logo-1color.eps) to your vendor along with your instructions as to shirt style, shirt color, ink color, quantity, and sizes. NOTE: the 1-color shirt logo file appears black, your vendor will print it in the Pantone Matching System (PMS) color you designate, so be sure to include your ink color choice in your instructions to your vendor.

FOR 1-COLOR LOGO PRINTING– CHOOSE 1 FOR YOUR INK COLOR:

| CYAN | PMS 368 | PMS 254 | PMS 200 | PMS 158 | PMS 3015 |
